Collection of Information:

The Human Rights Tribunal of Ontario (HRTO) has the right under the *Human Rights Code* and the *Statutory Powers Procedure Act* to collect the information requested on this form to fulfill its legislative mandate. After you file the form, all information related to the proceeding may become publicly available in a tribunal decision, order, or other document, in accordance with Tribunals Ontario's *Access to Records Policy* and the *Tribunal Adjudicative Records Act, 2019*. Parties wanting records or information to remain confidential must seek a confidentiality order from an adjudicator. An order:
(a) compelling the Tribunal and Respondents to review the permanent public-domain liturgical archive disclosed on December 5, 2025;
(b) granting a two-month adjournment of all steps for full review of the archive;
(c) admitting the archive as a living exhibit with automatic inclusion of future public-domain updates.

HRTO File 2025-64274-I
Applicant’s Motion for Procedural Order: Compel Review and Admission of Permanent Public Archive Evidence
(December 6, 2025)

The Applicant moves under Rule 10.1 for an order compelling the Tribunal and Respondents to review and admit the full liturgical archive disclosed on December 5, 2025, as central evidence of the creed and reprisal claims.

Grounds:
1) The archive (e.g., ALAS IN WONDERLAND at https://archive.org/details/alas-in-wonderland, 350+ tracks, 18+ GB) is immutable, public-domain material directly proving the sincerity, comprehensiveness, and nexus of the creed to the alleged discrimination (per Syndicat Northcrest v. Amselem, 2004 SCC 47).

2) The Tribunal has a duty to review material evidence before deciding (SPPA s. 25(3); HRTO Rule 16.1). Refusal to engage voluminous but accessible evidence breaches procedural fairness.

3) Screenshot evidence shows throttling (e.g., 0 views on Exhibit [reference the song/item from screenshot]), mirroring Respondents' alleged suppression on other platforms. This is not "vexatious" but core to reprisal.

4)The Applicant requests: (a) confirmation of review by all parties/Tribunal; (b) a two-month adjournment for full listening (per Applicant's Notice of December 5, 2025); (c) admission of the archive as a "living exhibit" with updates auto-included.

Physical USB copies available on request.
No costs sought at this time.

Respectfully,
Brendan S. Rose

2. Form 13 Request to Admit: Government-Ordered Suppression by Barnes & Noble
HRTO File 2025-64274-I
Applicant's Request to Admit Facts – Barnes & Noble

(December 5, 2025)
Under Rule 18, the Applicant requests that Barnes & Noble admit the following facts (admit/deny in writing within 20 days):Did the Canadian government (or any agency thereof) order or direct Barnes & Noble to render the Applicant's view counts, sales, rankings, or visibility down to zero on your platform?

If yes, provide the date, form (e.g., email, notice), and author of the order.

If no, confirm that any suppression of the Applicant's works (e.g., delistings, throttling) was solely Barnes & Noble's internal decision, unrelated to government directive.

Failure to admit will result in a motion for costs and proof at hearing (Rule 18.4).

Respectfully,
Brendan S. Rose
Self-Represented Applicant

Subject: False spam block on alas-in-wonderland — please unflag (HRTO evidence)
Hi team,
I'm Brendan S. Rose, uploader of the 350+ track liturgical archive at
https://archive.org/details/alas-in-wonderland
I just hit a repeated "blocked / spam" error while trying to add new pdf documents (45 attempts). This is legitimate public-domain evidence for an active Ontario human-rights case (HRTO 2025-64274-I). The flag is a false positive from high-volume uploading.
Please remove the block so I can continue. Happy to slow down or use smaller batches.
Thanks — this archive is critical.
